Action Taken from the Suggestions given by the faculty on Curriculum

2019-20

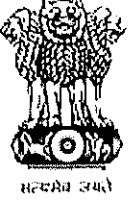

- As per the suggestions received the college has conducted online certificate course on “Finishing School” which covered Life skills, Employability skills and English language skills.
- Students were guided on Yoga training during the pandemic in online mode so that they can maintain physical and mental fitness.
- The college has open free access to Namo WI-FI, however as the college is the outskirts of the town and sometimes due to poor weather condition and also due to the loss of electricity the WI-FI connection is disrupted. The college has communicated with the service provider to get this issue resolved.
- The suggestion received regarding syllabus design has been communicated to the concerned authority of HNGU.

The college has made all the possible efforts to fulfill the suggestions received from the faculties in academic year 2020-21.
