

Environment Related activities by Government Science College, Idar

7.07.2019	Tree Plantation	A tree plantation program was organized In which fruit trees were planted near the border of Laloda village. Apart from faculties, students also participated in this program. In this program, the people of Laloda village were inspired to save trees
16.01.2020	Village Cleanliness	Under rural public awareness initiatives, students organized cleanliness drives and dialogues to spread awareness about various issues among the villagers
24 .01.2020	Shreemad Rajchandra Vihar Cleanliness (Cleanliness Campaign)	A cleanliness drive was organized at the Idar Tapobhumi area in Shrimad Rajchandra Vihar. A total of 35 students from the entire college enthusiastically participated in the campaign.
7.8.2020	Plantation	Tree plantation program on the college campus was organized In presence of Teachers and the Principal
21 .01 .2022	Visit to organic farm	An event was organized to introduce organic farming, focusing on explaining the differences in quality between crops obtained from conventional agriculture and those from organic farming. The event saw participation from 42 students.
31 .01 .2022	Environment and cleanliness	The project undertaken by our organization aimed at raising awareness among people about environmental cleanliness, water conservation, and rainwater harvesting through initiatives such as tree plantation, promotion of fruit and medicinal trees, nurturing of biodiversity, promoting water conservation and protection, discouraging single-use plastics, green and clean village programs, and use of renewable energy and biogas. An event promoting cleanliness and tree plantation was organized on January 31, 2022.
27.01.2023	Oragnic farming based on fertilizer from cow dung.	A one-day workshop was organized by the students for promoting awareness about organic farming. During the workshop, Mr. Bhavesh Patel delivered an expert lecture on various topics such as the benefits of Jivamrut, the use of Panchagavya, and related subjects.

06.02.2023	Service of bird is true service (Bird Water pot Distribution)	The celebration of World Sparrow Day was organized by the institution in collaboration with Mission Green Idar. The main purpose of this event was to raise awareness among people about sparrows and other birds that are becoming increasingly rare worldwide. The theme of "I love sparrow" was central to the celebration of World Sparrow Day. Founder of Mission Green Idar, Shri Hiren Panchal, delivered a lecture emphasizing the theme and raising awareness. As part of the program, arrangements were made on campus for birdhouses and bird feeders on trees in every accessible area, aiming at bird conservation
7.10.2023	Tree plantation program	The institution organized a tree plantation program on the college campus and surrounding areas under the guidance of Principal. The event was attended by all professors and students of the college. During the event, Principal emphasized that the "One Tree One Life" campaign aims to contribute to environmental conservation by acknowledging the ecological contribution of each tree.
20.03.2024	World Sparrow Day	The institution organized the celebration of World Sparrow Day in collaboration with Mission Green IDAR. The main purpose of this event was to raise awareness among people about the sparrows and other birds that are disappearing worldwide. The theme of the event was 'Sparrows: Give them a tweet-chance!'. Founder of Mission Green Idar, Shri Hiren Panchal, delivered a commentary focusing on the theme and awareness. The program also included the distribution of bird feeders by wildlife extension officers, bird enthusiasts, and professors, in the presence of students.
