## Minutes of the IQAC meeting held on 12-06-2019

The IQAC meeting of the college was held under the chairmanship of **Dr. P. A. Vadher**, Principal of the college in presence of undersigned IQAC members of the college at principal's office at 3:00 p.m. on 12-06-2019.

The meeting initiated by taking inputs from IQAC members based on the informal reviews received from staff members of the college.

1. **Upgradation of IT infrastructure:** IT infrastructure of the college is too weak and needs an upgradation. There are no ICT enabled classrooms, hence the use of ICT tools in teaching-learning is restricted.
2. **Internet connectivity:** As the college is located in rural remote area, internet connectivity is a major issue. A provision for internet in form of cable or Wi-Fi should be made.
3. **Upgradation and Augmentation of laboratory facility:** Replacement of old instruments with technologically upgraded and new instrument as per syllabus should be made available at the college laboratory.
4. **Contribution of the college in sustainable development:** Various steps like minimum solid waste, composite pit, reduce power consumption, water management, etc, toward the sustainable development should be implemented at the college.

After a deep discussion the meeting was concluded by the Principal of the college stating as under:

- a) **Sustainable development:** College will start a measure for various audits like green audit, environment audit, energy audit, no tobacco policy, single use plastic free campus, water conservation, etc.
- b) **Upgradation of IT infrastructure:** The principal of the college will ask for the grants from the higher authorities so that college can have either wired or Wi-Fi internet connectivity. She also stated that within the limit of rules

college will initiate to opt a smart class from the grant of component-07 of RUSA.

- c) **Upgradation and Augmentation of laboratory facility:** The different departments of the college will be asked to provide details of specifications of the requirements for upgradation and augmentation of laboratory, and the same will be conveyed to the State central purchase committee at KCG, Gujarat.
- d) **Sustainable development:** A team will be formed to carry out various audits at the college and the circular will be published.
