

Academic and Administrative Audit

Recommendations

The following suggestions were given at the end of AAA visit at Government Science College, Idar :

- The college needs to organize seminars/workshops /training programs for under Entrepreneurship Development.
- The faculty members need to actively participate in research work and apply for minor/ major research project.
- The college needs to strengthen the library by purchasing books and recommends for library automation through ILMS.
- The college must participate in NIRF.
- The college should participate State Government rating framework GSIRF .
- The number of collaborative activities be increased through MOU.
- Guidance for competitive examinations be enhanced to increase the placement of students.
